DAY 1

Bromont

Start the day with a relaxing moment at **Balnea spa**. Bask in the warm pools while admiring the views overlooking breathtaking landscapes. In the afternoon, explore the Vieux-Bromont sector and its charming boutiques. Our recommendations? **Zayat Aroma** for a little aromatherapy and **N Latté Bromont** for a cup of coffee and a homemade pastry. Don't miss the works of art displayed along the Vieux-Bromont public art circuit. Then, check the event program listing for both the **Place Publique** and the **Espace Culturel St. John** venues to add a concert or a show to your stay.

DAY 2

Frelighsburg & Dunham

Venturing out onto La Route des vins wine route. Explore Dunham's highly reputed vineyards: **Vignoble Gagliano**, **Domaine des Côtes d'Ardoise**, **Val Caudalies**... Then, head to **Clos Saragnat** in Frelighsburg. Take a little time to explore this charming village, home to the **Beat & Betterave** nanobrewery. Visit **Adéland**, a venue dedicated to people-focused, accessible art. From spring to autumn, exhibitions and creative workshops unfold here, inviting you to discover many up-and-coming talented artists. For a gourmet experience, **Aux 2 Clochers** offers a fine locally sourced menu with views overlooking the Pike River.

DAY 3

Stanbridge East & Bedford

Start your day in Stanbridge East with a visit to the **Le Point Visible** workshop and boutique, where you'll discover textile creations based on traditional quilting techniques. Then, enjoy visiting the **Vignoble l'Ardennais** vineyard. Next stop, head to Bedford and **Atelier Tréma**, where a pottery shop and café share the same space. If you enjoy craft spirits, **Comont, maîtres distillateurs** is well worth a stop. Finally, the **Capeline et Chocolat** chocolate shop and the **Les Petits Plaisirs du Roy** fine food shop are two must-visit addresses for stocking up on local delicacies.

Where to Stay?

In Bromont, **Balnea Hôtel** offers rooms and studios that blend in perfectly with the surrounding natural landscape. In Dunham, set in the heart of the village, the **Gîte La Maison Bleue** welcomes you to eight rooms combining period charm with modern comfort. And in Stanbridge East, **La Cecil House**, situated above the **Espace Old Mill** (Michelin Green Star), allows guests to combine relaxation with fine dining.

Either way, you'll have a truly wonderful time enjoying this charming river and the beautiful surrounding scenery. In the evening, stroll through Sutton's downtown area while savouring a delicious ice cream treat from **L'Échappée Belle** or **Snöbol**.

DAY 2

Lac-Brome

The next day, head to Lac-Brome. In the morning, rent a canoe, kayak or paddleboard from the **Hôtel Lac Brome** and set out to explore the **Quilliams-Durull Nature Reserve**, a gem of biodiversity. For your third day, visit the Water Park at **Bromont, montagne d'expériences**. With its 17 slides and 4 heated pools, both small and tall are sure to have a fun time. For a more peaceful moment, take the gondola to the top of the mountain. Do you prefer relaxation to adrenaline? The **beach by Lake Bromont** offers a fine alternative for enjoying the sun and the water.

Modern viticulture in Québec originated in Brome-Missisquoi, and, in fact, more specifically in Dunham. Today, our vineyards define the region's identity. You cannot truly experience Brome-Missisquoi without visiting its winegrowers and tasting their wines.

Good to Know?

With 24 vineyards and over a hundred participating businesses, plan your visit by visiting our website. You'll find itineraries (by bike or by car) to suit all tastes.

Moments to Savor

At our vineyards, the experience goes far beyond wine tasting. Whether it's an on-site restaurant or a pop-up farm stand, a music or comedy show, an open-air art gallery, or a bike ride, there are so many good reasons to take the time to linger!

A Gourmet Stop at the Vineyard

Good wine calls for good food! With charcuterie, cheeses, pizzas and sandwiches, our local markets offer a true feast of flavours! For a unique dining experience, some vineyards also have on-site restaurants. Plus, most have their own picnic areas. Fill your basket on the way and enjoy your delicacies surrounded by breathtaking landscapes!

It was in Brome-Missisquoi that some of the country's first temperance movements opposing the sale and consumption of alcohol were launched.

Explore the region in a very original way by taking a closer look at a little-known part of our history. This 130 km circuit, featuring interpretive panels and audio capsules, will take you to the heart of the 1850s - 1930s.

Immersive Capsules

Attempted murders, secret codes, brothels, alliances... Let Alfred Carpentier, a fictitious but highly colourful smuggler, guide you through this tumultuous era, revealing its best-kept secrets. Meet Queen Lil, the owner of the Palace of Sin brothel, in Glen Sutton, who built her establishment astride the U.S.-Canadian border. Or yet again, Conrad Labelle, a young smuggler and a loyal ally of Al Capone, known as the King of the Bootleggers.
